The Grace Oughton Cancer Foundation was founded in January 2006 in order to support the family and health care needs of Grace as she fought a rare and deadly form of cancer. While Grace's valiant fight against Neuroblastoma ended in October of 2007, the dream to help other children fighting cancer did not die. Families suffer financial hardships from insurance denials, travel challenges and expenses, excessive time away from work, and lost wages. More importantly their family endures stresses that are devastating. Simply keeping the family together is a monumental struggle. **The GOCF has the vision to help families in our area conquer all of these challenges through the development of a full-service pediatric field clinic here in our region.** This will become a reality, but we can't do it without your help. Please participate to help kids in your community. The Grace Oughton Cancer Foundation is a non-stock corporation registered with the Commonwealth of Virginia's State Corporation Commission and is a 501(c)3 tax-exempt charitable organization. Our Federal Tax ID number is 20-5721036.

Dear Potential Sponsor:

On Sunday September 11th, 2011, the 6^h Annual Race for Grace 5K run/walk and Kid's 1-Mile Fireman Chase will be held at Patriot Park in Spotsylvania, Virginia. The purpose of this event is to raise money for the Grace Oughton Cancer Foundation, a local all-volunteer non-profit organization focused on improving the lives of families fighting pediatric cancer. We are looking for event sponsors, ¼ mile sponsors, prizes and donations for door prizes. Below is a brief description of the foundation's mission. If you are interested in learning more about the foundation please log on to www.thegocf.org.

The Grace Oughton Cancer Foundation was established in 2006 to assist the Oughton Family with added expenses associated with their daughter's cancer treatment. Since then, the Foundation's mission has grown to include providing direct assistance for medical grants, funding research grants, pursuing educational endeavors, and focusing on improving the quality of life for families immersed in the fight against their child's cancer. We are also working diligently to develop a local pediatric cancer clinic that will meet the basic clinical needs of local children fighting hematological and oncological disorders. The Grace Oughton Cancer Foundation is an all-volunteer organization and is committed to keeping the overhead at a minimum to ensure that the funds raised will go to help these children and their families. We are a 501(c)3 charitable organization and our Federal Tax ID number is 20-5721036.

Grace Lindsay Oughton earned her wings on October 29, 2007. Her family, her friends and this foundation will do everything possible to ensure that families are supported and a cure is developed, so these beautiful children can live long, happy and fulfilling lives.

We thank you for your time and consideration. We hope you or your company can help make this race a huge success. If you have any questions regarding the tournament, please contact us at 804-873-2067.

Sincerely,

Alec and Crystal Oughton
